

## What is the EDLS Consortium Program?

The EDLS Consortium Program is a special offering for government and healthcare related organizations in Canada. These programs allow your organization to rapidly deploy Harvard ManageMentor via our Leadership Resource Centre (LRC). The Harvard ManageMentor modules are aligned to your competencies, roles, specific program etc, to enable your team to quickly recognize the areas they wish to focus on. Each implementation is unique and focuses on your organizations specific challenges to assist you in solving you most pressing leadership and management issues today.

## What can the Consortium offer your organization?

The EDLS consortium program not only allows for your organization to benefit from significant savings annually, but it allows you to network with other organizations in your field. EDLS hosts periodic webinars for Consortium members and or provide networking opportunities to speak with others in your specific fields.

To learn more about EDLS Consortium Programs please contact EDLS at 416.510.1458 or info@edls.com

## Consortium Highlights

**Content in Context** – have the Harvard ManageMentor content displayed in a framework that is familiar to your organization

**Custom Resource Links** – add links to every page for additional content or resources specific to your organization

**Branding** – present a site with your logo and colours without spending thousands in additional customization fees

**Leadership Video Insights** – add a wealth of additional Leadership Videos from HBR at no added cost

**Rapid Implementation** – rather than spending months negotiating with an LMS company or your IT Department for resources be up and running in a matter of days

**Significant Savings** - consortium participant organizations are entitled to special pricing programs saving them thousands of dollars annually
